MEMORANDUM FOR: Deputy Director for Administration  
FROM: Bruce T. Johnson  
Director of Data Processing  
SUBJECT: ODP Report for Week Ending 26 March 1980

Briefing for FBI (U)

On 20 March 1980, Messrs. [REDACTED] briefed four senior members of the Federal Bureau of Investigation (FBI) Data Processing Organization on the Human Resource Systems and the Financial Resource Systems. Primary emphasis of the briefing was how ODP used the GIMS software to implement these large systems. The FBI members were very impressed with these systems and requested that ODP provide some additional support in the future to help them with their similar system development. [REDACTED] (U)
